DOMESTIC SAFETY SOS
STALKERWARE REFERENCE CARD

DO THESE IMMEDIATELY

1. If in abuse context — call NDVH 1-800-799-7233 BEFORE doing technical checks
2. Look for behavioral signs: battery drain, data spike, overheating, knowledge they should have
3. Check device admins / profiles / accessibility services / installed apps / permissions
4. Run a reputable scanner (Malwarebytes, TrendMicro).

PREVENT THIS — TURN ON

- ✓ NDVH: 1-800-799-7233
- ✓ Check: device admins, profiles, accessibility, recent apps, battery, data, permissions
- ✓ Plan before removing
