Making Sense Of
SECURITY

STEAM SOS
If your account is being stolen

DO THESE IMMEDIATELY

1. Change your password immediately from a trusted device.
2. Open Steam Mobile app → Deauthorize all other sessions.
3. Contact help.steampowered.com — open recovery ticket.
4. Notify any active trades — Valve can reverse within 7 days.

PREVENT THIS — TURN ON

- ✓ Mobile Authenticator + recovery code
- ✓ Never click login links from Discord or email
- ✓ Trade hold stays on
