Making Sense Of
SECURITY

DISCORD SOS
If your Discord is compromised

DO THESE IMMEDIATELY

1. Change password from a trusted device immediately.
2. Settings → Devices → log out everywhere.
3. Run a full antivirus scan.
4. Notify friends and servers that scam DMs are not you.

PREVENT THIS — TURN ON

- ✓ Authenticator-app 2FA
- ✓ DMs locked to friends only
- ✓ Never run executables from untrusted sources
